Looking good and feeling great is essential for any bride or groom, but it is equally important to feel relaxed and confident. These packages are designed to treat your skin and your body to some well-earned pampering.

The Perfect Match **£80** (90 mins)

Massage, pedicure & mini facial

This package combines a mini-facial with a massage and pedicure, to re-establish the harmony between the body and mind whilst stimulating the circulation, draining, toning the facial muscles and relaxing.

Time Out **£80** (95 mins)

Relaxing top-to-toe massage and reflexology

A full body massage to completely relax and unwind combined with reflexology to beat the stress and boost your immune system.

The Big Day **£140** (2x facials 90mins each and one 30 min massage)

Also ideal to give as a present...
